It takes a while to get there, but when you arrive you will see it's all worth it!

By Taxi

From Verona Airport to Kushi Ling, Arco you can book a taxi for around 130 euros for max. 3 persons, so you could share it with other students who go there. It takes about 80 min., please let them know the exact address when you book: [Taxi service from Verona Airport to Kushi Ling](#)

By Public Transport in 3 steps

In front of Verona Airport busses are waiting to bring you to Verona Station (Verona Porta Nuova), price is around €4 which you can pay to the bus driver. They go multiple times per hour.

1) Train from Verona Central Station (Porta Nuova) to Rovereto

[Train Time Table Italy](#)

There are 3 types of trains: 'regionale' (slow train but cheapest, 60 min.), 'regionale veloce' (a bit faster, 48 min.) and 'Frecciargento' (a bit faster but more expensive, 40 min.)

When you get the train ticket it's good to mention the name of the train, especially if you want the cheapest train ('Treno Regionale') and you should not forget to stamp the ticket before you get onto the train. Also take some time to get the ticket, as the ticket rows can be busy.

2) Bus 332 from Rovereto to Arco

It takes 55 min. You can also take Bus 301.

3) Taxi (or lift from somebody) Arco to Kushi Ling

When you arrive in Arco you can take (or share with others) a taxi to Kushi Ling.

If you cannot find a taxi, you can call a taxi at: +39-0464 - 514520

For taxi service you can also call Antonella: +39-333 5963033 or +39-0464 518983

The taxi driver most probably knows Centro di Meditazione Kushi Ling. If not, let him/her read this:

Dal centro città prendere la strada (a destra) verso Laghel.

Arrivati alla chiesa Santa Maria di Laghel si prende la salita a sinistra

e si segue tutta la strada (circa 3 km) fino alle Fontane: è l'ultima casa.

When we all leave again after the thangka painting course, you can probably get a ride to Rovereto or Verona with some of the other participants, or travel together. *See you in Kushi Ling!*
